LINKEDIN

SUMMARY

Motivated Computer Science and Business Systems student with a strong foundation in Python, Java, SQL, and web development. Experienced in software development, database management, and leadership roles, including a virtual internship at CodTech as a Java Programmer and serving as a Campus Ambassador at Internshala. Passionate about problem-solving, innovation, and contributing to real-world projects. Skilled in collaboration, communication, and time management, with a keen interest in entrepreneurship and public speaking. Actively engaged in MUNs and startup events to enhance technical and leadership skills.

EDUCATION

Bachelor of Computer Science and Business System, CVR College of Engineering, 9.08 CGPA	2023- 2027
Intermediate (11th – 12th), Sri Chaitanya Junior Kalasala,95%	2020-2023
10th standard, Vijaya Ratna High School, 10.0 CGPA	2019-2020

SKILLS

Programming Languages: HTML, CSS , C , Python, Java

Database and Language: MySQL, SQL (Intermediate)

Frameworks: Beginner in Flask

Course Work: Database and management system, Object-Oriented Programming, Software Development
Computer Networks, Operating Systems, Data Modeling, Data Analysis.

Soft Skills: Collaboration, Communication, Planning, Teamwork, Time Management, Leadership

Work EXPERIENCE

Deloitte Australia Data Analytics Job Simulation on Forage June 2025

- Completed a Deloitte job simulation involving data analysis and forensic technology
- Created a data dashboard using Tableau
- Used Excel to classify data and draw business conclusions

Internship in CodTech Sept 2024 – Nov 2024, *Telangana, India*

- Developed and optimized Java-based applications, improving performance and efficiency.
- Implemented **data structures and algorithms** to improve software efficiency.
- Assisted in **debugging and testing**, ensuring bug-free deployment.
- Completed **two projects** which helped **me** to write optimized code.

Campus Ambassador of Internshala Oct 2024 – Jan 2025, *Telangana, India*

- Developed my skills in communication, leadership and teamwork.
- Promoted Internshala's internship and training programs, increasing student enrollments by **30%**.
- Developed marketing and leadership skills by organizing online and offline promotional activities.
- Assisted students in navigating the platform, improving internship applications and selections.

PROJECTS

Price Comparison Website for Electronic Gadgets- Github

A Flask-based web application that compares product prices across Amazon and Flipkart

- Allows users to search and compare prices for gadgets like mobiles, tablets, headsets, speakers, and smartwatches.

- Supports user registration, login, and wishlist management.
- Enables users to download their wishlist as an Excel file.
- Integrated web scraping techniques for real-time price data extraction.
- **Tech Stack used:** Python, Flask, BeautifulSoup, Pandas, HTML, CSS

Student grade manager- Github

- This helps educators manage student performance efficiently
- Implemented **authentication and role-based access control** for security.
- **Tech Stack Used:** Java

Inventory Management- GitHub

- Simplifies and improves stock management..
- Designed an **inventory tracking system** to streamline stock updates.
- This project enhances inventory management efficiency and provides a user-friendly experience
- **Tech stack used:** Java

ACHIEVEMENTS & EXTRA-CURRICULAR ACTIVITIES

- I participated in an incredible three days bootcamp on innovation and entrepreneurship. (Certificate)
- Campus Ambassador Internshala in CVR College of Engineering
- I have been selected for an "international startup festival" as a student volunteer which helped me in engaging with a diverse array of individuals and delving into activities that boosted my communication and leadership skills.
- I participated in a MUN which helped me enhance my research and public speaking.

Certificates

- AI in Human Resource Management - Certificate
- Data Science for Engineers - Certificate
- Java Programming – Certificate
- Generative AI (GUVI- SAWIT.ai) – Certificate
